

SCHEDULE "A"
Supplemental Bylaws

- a) Monthly water/maintenance payments made to the Association shall be done by pre-authorized direct debit. If a member fails to make two consecutive payments, the Association shall be entitled to refuse to provide water service and levy an interest charge of 10% per annum on all monies due, to such member, until such time as all monies due to the Association have been paid by such member. A re-hookup fee of \$100.00 will be charged.
- b) Water restrictors shall be installed to limit the flow of water to each member. The restrictors must be easily accessible. Such restrictors can only be removed for cleaning and servicing and only by an Authorized Representative of the Association
- c) If a member shall remove or alter in any way, the water flow restrictors installed in his water system, for any unauthorized reason, the Association shall then be entitled to refuse to provide water service to such member for a period of six (6) months for the first offence and a period of twelve (12) months for the second offence and also such member shall pay a fine to the Association of \$500.00 for the first offence and \$1,000.00 for the second offence. The third offense will result in permanent water cut-off.
- d) An Authorized Representative of the Association shall have the right to inspect any member's water system, at any time with notice to ensure that the water restrictor is in place and has not been altered in any way.
- e) Re-distribution of water flows and or shares held in the co-op issued to one landholder can only be relocated at the discretion of the board with applicable service charges.
- f) Notice of Meetings may be emailed to the member's email address last registered at the Association's office in lieu of mailing the notice.
